8. Enter the home score and away score, click save.

The screenshot shows a web interface for entering game details. On the left, a 'Processes' sidebar contains links for 'Schedule Games: Division Games', 'Score Games: Score Game', and 'Score Game'. The main area is titled 'Game Summary [Game Notes]' and contains a form with the following fields: Game ID (1871044), Game Date (2011 Oct 29), Game Time (11:40), Game Location (Bicentennial Jr. High), Game Type (Regular), Home Team (Steelers - Densmore), Home Score (empty), Visitor Team (Prospect Bulls - Conway), and Visitor Score (empty). A 'Save Changes' button is located at the bottom right. Below the form is a 'Game Scoring Details' section with links for '[Update Home Players]' and '[Update Visiting Players]'. It contains two tables: one for Home Team stats and one for Visiting Team stats, both currently showing 'No entries in list'.

9. Click Update Home Player.

This screenshot is identical to the previous one, but with a red arrow pointing to the '[Update Home Players]' link in the 'Game Scoring Details' section.

10. Check off **ONLY** players who played in the game in the "Sel" Column. If there was a call-up player in the game go to step 11. If there was no call-up player go to step 14.

Page Instructions
Select the players from the roster that played in this game. If they wore a different jersey for this game, you may enter it here. If you set the game jersey different from the given the opportunity to update their default jersey.
